From : ATOSSCOM Executive Committee
Subject: Annual Meeting

Greetings ATOSSCOM members! It is our hope that you are all doing well and that are coping with the challenges of our new normal under COVID conditions. It has been over two (2) years and we are sure everyone is willing to return to our organizational business.

We have received confirmation from the Micronesian Shipping Commission (MSC) that they will be holding their annual meeting in Guam the week of December 5-9, 2022. As this will be beneficial and convenient for our members who conduct business with the MSC and continue our mutual interests, we have decided to join the MSC and hold our annual meeting during the same period.

The Port Authority of Guam has generously offered to serve as host member and we thank them for accepting on short notice. The venue has been confirmed and our meeting will be held at the Hotel Nikko Guam. In the coming weeks, information will be shared for hotel & car rental reservations and other meeting details. Also, information on hosting opportunities will also be provided for your consideration.

Please save the date and we look forward to seeing you all again.
