**TO:** ATOSSCOM Members  
**FROM:** ATOSSCOM President  
**SUBJECT:** 46<sup>th</sup> Annual Conference

It is my pleasure to inform you that at the recently concluded Executive Committee Meeting on February 21-22, in Pohnpei, FSM, it was agreed that the next annual meeting will be held in Guam. The annual meeting is scheduled for July 31 to August 2, 2019.

In addition, the Micronesian Shipping Commission (MSC) has also agreed to the dates so we will be having joint meetings. This will allow our full membership to maximize travel and meeting opportunities.

As the hosting port, the Port Authority of Guam (PAG) will be leading the coordination effort and will be providing information such as registration, lodging and car accommodations, visitor information, and other conference details. Please do share your thoughts on possible agenda topics for consideration and coordination.

As always, thank you for your support and look forward to meeting you all.
